## HISTORY of NOTRE DAME HIGH SCHOOL

---

Notre Dame High School of Acadia Parish began its operation as a Catholic, co-educational school for students in grades 9 through 12 in September of 1967. It was formed by consolidating the three Catholic high schools in Acadia Parish: St. Michael of Crowley, St. Joseph of Rayne, and St. Francis of Iota. At the time of consolidation it was decided that the facilities of St. Michael be used until Notre Dame could build its own facility or make some other arrangements. On January 31, 1977, the Notre Dame Advisory Council of Directors and eight church parishes purchased proportionate shares of Notre Dame from St. Michael Parish thus giving Notre Dame a permanent home in its present location.

During the spring preceding the consolidation, committees composed of faculty members and students from all three schools met and selected uniforms, school colors, mascots and emblems. A school philosophy was written to guide the new school. Curriculum and faculty began to take shape.

## CREST

---

Notre Dame's shield symbolizes the three principal Catholic ethnic groups which originally settled the area of Acadia. The German people are symbolized by the HERALDIC EAGLE, displayed with wings and outstretched legs. The CEDAR TREE of Lebanon is the chosen symbol of the Syrian nations. And the FLEUR DE LIS (or white lily), a religious symbol, is the national symbol of France. On the base of the school shield is the Christian Cross, surmounting the Greek letter CHI, which is the first letter of the word XPITOS, meaning Christ. The crest of the shield bears the torch of education denoting the high educational goals of Notre Dame.

## PATRON

---

The words NOTRE DAME mean OUR LADY. Our Lady is perhaps the most extraordinary and prominent title given to the Mother of Jesus Christ. She is the Patroness of our school and her statue in the center of our campus is a constant reminder of our reason for existing.

## ALMA MATER

---

High on a hill, where all dreams grow,  
We found a place to blend the old.  
The things we love and cherish dear  
Remind us of this place so near.

When we've gone away, our hearts will stay,  
For your fond memories have shown the way!  
But we'll miss you most of all, Notre Dame,  
When years have come and gone.

The school we love is Notre Dame,  
Her banners high echo her fame.  
Our spirits bold have cheered her on,  
Scarlet and navy to her belong.

## MASCOT

---

Notre Dame's mascot is the pioneer. The old frontier pioneer with his coonskin cap represents those men who pushed back the frontiers of this country. A pioneer further symbolizes leadership, a trait which Notre Dame attempts to foster in its students as future Christian leaders. The school colors of navy blue and scarlet red depict the colors of our country and its rich heritage of liberty and justice.

## OWNER PARISHES

---

The Catholic church parishes actively participating in the governance of the school are:

*Immaculate Conception, Morse*

*St. Joseph's Catholic Church, Iota*

*Immaculate Heart of Mary, Crowley*

*St. Lawrence Catholic Church, Mowata*

*Our Lady of the Sacred Heart, Church Point*

*St. Leo IV Catholic Church, Roberts Cove*

*St. John the Evangelist, Mermentau*

*St. Michael's Catholic Church, Crowley*

*St. Joseph's Catholic Church, Rayne*

Each church parish provides leadership in the government of the school and each financially subsidizes the school based on the number of students who attend the school from the parish. Advisory Council members are appointed in accordance with the council's bylaws and consist of representatives from each parish. The council resides under the leadership of a Chancellor, appointed by the Bishop to represent the pastors of each church parish.

## STATEMENT OF PHILOSOPHY

---

The philosophy of Notre Dame High School is stated in terms of Vatican II's decree on education:

*"A true education aims at the formation of the person in the pursuit of his ultimate end and of the good of society of which he is a member and in whose obligations, as an adult, he will share."*

Keeping in mind that every Christian has been entrusted with Jesus' mission of spreading the Good News of the gospel, and that each person spreads the gospel as much by his actions as with his words, we believe that as a Catholic high school, our formation of the total person must encompass not only a fostering of intellectual development, but also a sincere appreciation for the innate goodness of and respect for all persons and all creation, a sense of responsible stewardship for our community and our world, and strong moral values by which to make the choices that determine one's overall way of life.

## MISSION

---

The MISSION of Notre Dame High School is to educate its students in mind, body and soul with the *love* of **Jesus**, the *discipline* of **Joseph**, and the *faith* of **Mary**.

## BELIEFS

---

*We believe. . .*

- Notre Dame High School, in order to promote student learning and religious formation (which are our chief priorities), will provide experiences which lead all students to a relationship with Christ manifesting itself in justice, mercy, and peace.
- Notre Dame High School exists to provide a quality Catholic education in a well-rounded program of challenging academics and extracurricular activities that promote the development of students who emulate the characteristics of the Holy Family.
- Notre Dame High School will provide a safe and comfortable learning environment and an atmosphere of mutual respect among teachers, students, and staff to foster a positive relationship and self-esteem.
- Notre Dame High School will maintain a challenging curriculum which recognizes each student as a valued individual with unique physical, emotional, social, spiritual, and intellectual needs.
- Notre Dame High School will provide a variety of instructional approaches to accommodate the students' various learning styles as well as multiple assessment opportunities in which to demonstrate their mastery of skills and information.
- Notre Dame High School will actively involve students in the learning process and constantly improve in all areas in order to promote confident, self-directed learning.
- Notre Dame High School will promote cooperation among students, faculty, parents, and the community at large to develop a sense of family and ownership in the school so that everyone shares the responsibility of advancing the school's mission.

## RELIGIOUS FORMATION

---

The Religious Formation Program of Notre Dame is twofold in nature:

- to pass on the public revelation of God, found in Scripture, Tradition, and fully in the Person of Jesus Christ, as it has been entrusted to the One, Holy, Catholic, and Apostolic Church.
- to form missionary disciples that are prepared to go out into the world to live the Great Commission of Jesus Christ to make disciples of all nations.

It is with this twofold mission in mind that Notre Dame approaches the Religious Formation of its students and faculty. Romans 10:14-15 says:

*But how are men to call upon him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without a preacher? And how can men preach unless they are sent?*

Understanding that personal salvation comes from knowing and believing in Jesus Christ and that the salvation of others can depend upon the sharing of the Gospel message with them, the religious formation of Notre Dame is aimed at proclaiming the saving message of Jesus Christ to bring about conversion and to form intentional disciples who will, in turn, go out and share the Gospel message with others.

The integration of faith and beliefs into one's daily life, becoming an authentic disciple and follower of Jesus Christ, is what guides Notre Dame's curriculum and lesson plans. This religious formation will be both spiritually and academically rigorous, including lectures, class discussions, film projects, prayer services, guest speakers, retreats, liturgies, and more.

### ADMISSIONS POLICY

Notre Dame High School of Acadia Parish is an open admission Catholic school and is in compliance with Title IX of the Civil Rights Act of 1964. This Act allows male and female students of any race, color, national or ethnic origin to all the rights, privileges, and programs available to students at the school. It does not discriminate on any national, ethnic, or religious basis in administration of the school's education policies, financial assistance programs, athletics, or any other school administered program.

Admission will be denied to applicants only when their needs cannot be properly served at Notre Dame High School. This may occur when class size does not allow for proper placement of a student, when there is need for specialized counseling and curriculum, or when a student's discipline record indicates a disruptive pattern. Students expelled from another school will not be admitted to Notre Dame High School. Other refusals will be at the discretion of the administration.

Students must follow the academic and discipline policies of the school. Serious disregard for the various policies will result in probationary status for the student and/or possible expulsion. Notre Dame High School pledges to work closely with our students and their parents in the enforcement of school regulations, and students and parents are urged to review these policies carefully. Students and parents are required to abide by all policies in the school handbook. Students expelled from another school will not be admitted to Notre Dame High School. Other refusals will be at the discretion of the administration.

Further detailed information about the order of admissions, is available upon request. All inquiries regarding admission to Notre Dame High School should be directed to the Director of Advancement for further information and on site tours.

### NONCUSTODIAL PARENT

Notre Dame High School abides by the provisions of the Buckley Amendment with respect to the rights of the non-custodial parents. In the absence of a court order to the contrary, Notre Dame High School will provide the non-custodial parent with access to the academic records and to other school related information regarding the student. If there is a court order specifying there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

### UNWED PREGNANCIES

Catholic Church teaching does not approve of unwed pregnancies; however, when an unwed pregnancy does occur among the student population, the Principal and/or Chancellor will counsel those involved in a Christ-like manner. Jesus always showed love and concern for everyone, and never did He send anyone away from Himself. Therefore, the persons who become involved in this situation, with the advice of the physician, are to be allowed to make the decision of when to withdraw from on-campus instruction. (Diocesan Policy #1022) ***It is recommended, as a matter of health and safety, that the parent/guardian notifies the administration of all medical conditions.***

### MARRIED STUDENTS

Individuals who are married may not enroll in or attend Catholic schools in the Diocese of Lafayette. Students who have been covered under the provisions of DP 1022, Unwed Pregnancies, may however marry and continue as a student if they remain married and agree in writing to submit to and abide by all school rules and regulations. (DP #1023)

### TUITION and FEES

- The enrollment of a student indicates that parents understand that all school expenses and commitments are made with the assumption that the student will remain in the school for the entire year.
- The Notre Dame Advisory Council sets tuition rates, and reserves the right to adjust tuition if deemed necessary. Parents will be given adequate notice if such an adjustment is required.
- **A Registration fee of \$300, per student, is to be paid during the enrollment process. After the enrollment deadline the fee increases to \$375 per student.**
- There is a set rate for students who are Catholic, and another rate for those students who are not.
- Subsidy is requested from the Catholic support and non-support parishes. If for any reason the parish chooses not to pay this subsidy then it becomes the obligation of the parents. A family's membership in a church parish will be determined by the pastor of the parish.
- Families experiencing financial difficulty may apply for reduction in tuition by submitting the online form prior to the deadline. Tuition assistance is given on an annual basis and awarded in the summer.
- Notre Dame students who are receiving tuition assistance are obliged to follow and adhere to the rules, regulations and policies of Notre Dame High School and are expected to make satisfactory academic progress. Any such student causing serious or persistent disciplinary problems will lose the tuition assistance allocation for the school year in question. This determination rests with the administration of Notre Dame High School following review by the Notre Dame Advisory Council.
- Tuition **MUST** be current prior to Midterms and Finals. Students will **NOT** be allowed to test if all financial obligations have not been met. (Diocesan Policy # 5009)
- In the event of a natural disaster, disease outbreak or any other circumstance deemed unsafe by the school administration, school shall resume as soon as possible via distance learning and/or any other methods developed by the school administration and faculty. Due to continuing financial obligations there shall be no suspension, reduction or refund of tuition and/or applicable fees.

### PAYMENTS

- Regardless of payment methods, all families are required to sign up for the FACTS Payment Plan after the completion of the online enrollment process.
- Families will be required to enter banking information (checking/savings/credit card) to be stored for tuition and incidental billing charges. You may log into FACTS at any time and update the banking information associated with your account.
- Credit card payments through FACTS will include an additional 2.75% processing fee.
- There will be a \$30.00 charge through FACTS for all NSF payments.
- Student tuition and fees will be paid using FACTS beginning June, 2025 through May, 2026. Parents may select from the following FACTS options:
  - **Pay in Full** - The ENTIRE TUITION balance will be paid no later than June 15, 2025 for a 3% discount. *(Note: If this option is selected, the FULL amount will be drafted from your account on June 16th.*
  - **Semester Payment** - 2 equal payments to be withdrawn June 15th and December 15th
  - **Monthly Payments** – 12 equal payments beginning June 2025 and ending May 2026 (Parents may choose their desired withdrawal date set in FACTS).

**If you would prefer to pay in person or have any questions, please contact our bookkeeper [Juli Elfert](#).**

## **DELIQUINCY POLICY**

- In the event that a payment is past 30 days, the parents will be notified and their FACTS account will be disabled until payment is received.
- After 60 days with an overdue account, the following actions will be taken:
  - Parents must contact the school in order to discuss financial difficulties and potential payment options for the delinquent amount.
- At the time of Midterms and Finals, any student with unpaid tuition or fees will not be allowed to take exams until payment is received.
- If an outstanding balance exists at the end of the academic year, parents will not be allowed to register their child/children until all balances are paid.
- Any family experiencing financial difficulty should contact the principal to discuss payment and/or a delayed tuition payment schedule. Any good faith or good attempt to pay delinquent amounts will be taken into consideration. The school will make every effort to work with parents experiencing unforeseen financial hardships.

## **WITHDRAWAL POLICY**

Parents wishing to withdraw their child after completing an enrollment contract should make the request through the Registrar to initiate the withdrawal process. In the best interest of the child, every effort will be made by Notre Dame High School to resolve the problems or conflicts which may have precipitated the request. If the withdrawal is pursued, the Registrar will provide direction as to the formal process. This process will take place after all outstanding balances or debts are cleared. Records will be withheld until tuition and fees have been cleared.

## **REFUND POLICY**

Tuition is refunded on a quarterly basis, however, June and July payments with all other fees are non-refundable. Student programs and hired faculty are planned and contracted for the year based on enrollment.

It is understood that if a family transfers or makes a genuine move out of the area served by Notre Dame High School, they will not be expected to complete the year's tuition payments. However, registration fees will not be refunded.

No refund will be given until official withdrawal papers have been completed and accepted by the Administration.

## ACADEMIC INFORMATION

Notre Dame High School's academic program reflects a Catholic philosophy of education and adheres to the standards set by the Louisiana State Department of Education, the Diocese of Lafayette, and the Louisiana Board of Regents. The school's graduation requirements exceed the state's minimum guidelines to ensure a rigorous and enriching educational experience.

Students must enroll in seven courses per academic year and complete a minimum of 27 credits according to the school's designated plan of study. Eligible students may also take advantage of dual enrollment opportunities, allowing them to enroll in college-level courses while still attending Notre Dame. These courses may count toward both high school and college credit, offering students an accelerated path toward post-secondary academic achievement.

**Notre Dame High School currently provides two course tracks. Requirements are as followed:**

### THE HONORS COLLEGE BOUND TRACK

*This track is offered to those students whose achievement in previous courses is of high quality and whose test scores indicate such potential. A student is expected to meet the curriculum designs of each course with a determination to excel beyond what is required of non-honors courses. Honors courses demand more in-depth independent study quality work. Enrollment in an honors course is a one year commitment, and a student will not be permitted to switch to a college bound course during the school year. Students **MUST** earn a **75%** average for the final grade in an honors class to continue the following year.*

**The final admission decision into the Notre Dame Honors Program, will be determined by the school's Administration. Requirements and behavioral expectations needed for readmission into the Honors track for the following year, will be discussed during the advising process**

## RELIGION REQUIREMENTS

### Theology Obligations

- To be eligible for graduation from Notre Dame High School, each student must successfully complete one credit of Religious studies for every year of attendance. Students transferring in at mid-year must successfully complete the second semester of the Religious studies course for the appropriate grade level entered.
- Students who fail a religion class will be required to successfully complete the appropriate packet and services, which may involve attendance in the summer. A fee will be charged for this service.

### Retreat Attendance

- Retreats and service projects are a vital part of the spiritual growth at Notre Dame High School. All students **MUST** participate in a Notre Dame High School retreat program or approved equivalent to successfully complete the theology course for the year.

### Service Hours

- The purpose of the Notre Dame High School Service Program is to instill in our students the concept of living as Jesus did in a life of service to others. Our goal is to help our students realize the joy and peace that comes from giving of themselves to others in need. It is our hope that the experience of service through this program will carry on into their adult lives.
- Specific requirements and details will be given to each student in his/her religion class. Questions can be directed to the Religion Department Head.

## CLASS SCHEDULING

The following guidelines apply to those students wishing to make changes to their 2025-2026 class schedules. Requests for schedule changes will be considered under the following guidelines:

- Students wishing to fulfill the requirements of the Louisiana State Department of Education and NDHS graduation requirements will be considered. Strong emphasis is placed on mandated courses of study relative to receiving a Notre Dame High School diploma.
- Schedule changes will be considered for those students requesting a course in an effort to complete TOPS core curriculum requirements. Those students with academic seniority will be given first consideration with regard to course selection.
- Students requesting specific courses will also be considered based on NDHS course requirements, academic seniority, and classroom seating availability.
- Students must bring their issued schedules with them when requesting a schedule change as these schedules have been carefully reviewed and determined to meet all NDHS diploma and/or TOPS eligibility requirements. **No student will be allowed to request any changes without their schedules.**
- Students will be allowed to receive changes to any elective course not initially requested. Changes to any requested course will require a fee along with parent approval. Changes to core subjects will require administrative approval.
- Requests for schedule changes will not be considered after the conclusion of the first full week of the academic year.

**All students and/or parents interested in discussing any schedule related issues should contact the guidance department. If you are unable to make your request within the designated time period, you are required to contact the counselor in the Guidance Department before the last day of school at 783-7143.**

## GRADING SCALE

Students are graded in each subject area by the letter and the percentage system. Therefore, an academic report will carry a letter grade and a percentile score. The scale by track is as followed:

Honors College Bound	College Bound	Dual Enrollment

### Progress Reports

- At the midpoint of each quarter, Academic Progress will be available online and parents will be notified of these reports via email. Checking student academic progress can serve as a warning of concern on the part of the teacher about the student's work and/or behavior.

### Report Card:

- Report cards are issued via email within five working days after the end of a given nine week period.

## ACADEMIC ASSISTANCE

Whenever a student begins to experience academic difficulty in a specific course, he/she should contact his/her teacher immediately to request extra help. Teachers may also request, with a 24 hours notice, that certain students report to the teacher for extra help either before school, at lunch, or after school. Such a request takes precedence over all other activities. At times, the guidance counselor may also contact a student concerning a need for extra help.

## FAILURES

ALL FAILURES MUST MEET WITH THE GUIDANCE COUNSELOR IMMEDIATELY AFTER THE FINAL GRADING PERIOD. Students who fail to successfully complete a required course of study MMST ATTEND SUMMER SCHOOL or equivalent to complete the required course. In accordance with Bulletin 741, please note the following:

*"Students may earn a maximum of seven credit recovery units applied towards diploma graduation requirements and no more than two Carnegie units annually."*

Students in need of summer remediation, to complete a course, will meet with the Guidance Counselor to discuss individual academic plan. All coursework will be completed online through Educere not including MAJOR ASSESSMENTS, which will be monitored in person on Notre Dame's campus.

Diplomas or schedule advancements will not be given or finalized until a certificate of completion is obtained through Educere and has been approved by the Guidance Counselor.

## ATTENDANCE

---

The State of Louisiana requires that all accredited schools enforce state school attendance laws. Notre Dame students are allowed 15 absences for a full year course. Course absences beyond 18 may result in loss of credit for the course, regardless of the grade the student has earned. This policy applies to individual classes. Records of class absences are kept by the individual teacher and can be accessed by the Receptionist and by the Registrar. The school reserves the right to judge the acceptability of parental requests concerning a student's absence during the day. Exceptions are made only for documented major illness, surgery or death in the immediate family.

Students must be on campus for a minimum of three classes or four hours of clock time to participate in athletic events, practice or extracurricular activities on that day. On a regular school day students cannot check in after 10:30 AM or out before 11:30 AM to participate.

(All days with special bell schedules will require the student to attend three 3 class periods.)

## TARDIES

Good attendance and punctuality has an effect on higher achievement and success in life and careers. Students are considered tardy after the 7:50 AM tardy bell rings. A morning tardy will be recorded only until 8:00 AM, after which time it counts as an absence. Students are expected to be on time to every class daily. Students who are tardy for the first hour of the day will be sent to the office to get an admit slip and the tardy will be entered into FACTS by the office clerk. If a student is tardy to any other class, they should be entered as such in the FACTS system by the teacher and given a minor violation.

**\*\*Please note - tardies will only be excused with a valid doctor's excuse. All other tardies (due to weather, traffic, personal issues, etc.) will go toward the student's total count. Parents do not need to contact the front office if their child will be tardy\*\***

## **ABSENCES**

If a student will be absent because of illness, the parent must contact the school no later than 8:30am in one of the following ways:

- Complete the student [Absentee Form](#) - We encourage parents/guardians to utilize this method for absences. This allows more documentation to be collected and recorded.
- Call the front office 337-783-3519

## **CLARIFICATION OF STUDENT ABSENCES**

There are three common classifications of student absences:

### **EXCUSED ABSENCES**

- These DO COUNT TOWARD A STUDENT'S ABSENCE TOTAL.
- Result of a sickness, doctor/dental appointment, visits to colleges/scholarships, spring testing days, or any verified absence approved by the administration
- Students are responsible for any material covered or missed assignments during an excused absence and MUST be made up upon return.
- It is the students responsibility to communicate with the teacher or a fellow classmate to collect missing work.

### **UNEXCUSED ABSENCES**

- These DO COUNT TOWARD A STUDENT'S ABSENCE TOTAL.
- The student is absent without a pre-approved reason or simply as a matter of convenience (i.e. work, senior pictures, finishing an assignment, etc.).
- Schoolwork missed from an excused absence MUST be made up by the student. The student is responsible for any assignments and material discussed while absent. If a student's unexcused absence is due to skipping class/school, they will not be allowed to receive credit for assignments during the absence but are responsible for the content discussed during the absence that may be included on future assignments.

### **SCHOOL ACTIVITY**

- These DO NOT COUNT TOWARD A STUDENT'S ABSENCE TOTAL.
- The student is participating in a Notre Dame activity (campus ministry retreats, class field trip/activity, athletic competition, school play, or other activities approved by a member of the Administration).
- Schoolwork missed from a school activity absence MUST be made up by the student. The student is responsible for any assignments and material discussed while absent. Please see the Makeup Work policy in the Academic section.

### **EXTENDED MEDICAL ABSENCES**

- Students with serious medical/psychological conditions or injuries resulting in extended absences, must provide proof of diagnosis and treatment to the Office Coordinator. Depending on the nature of the condition, this information may be shared with the Dean of Students, Guidance Counselor, and or the student's teachers. The resulting absences may then be considered as extended medical absences and will not count toward the maximum allowed absence total of 15.
- Students who will be absent for extended time, may be asked to go on homebound status, at the discretion of the Assistant Principal and the Guidance Department. Homebound students may be provided educational materials by the local public school system, which may or may not coordinate with the student's classes at Notre Dame High School.

### **REQUIRED ATTENDANCE**

- Students are required to attend scheduled retreats conducted for their grade level. Should a student be absent from any of these requirements, the Assistant Principal will require the student to participate in a comparable experience.

- As a Catholic school, our weekly schedule is built around Liturgical celebrations, which are central to our faith and community life. All students are expected to attend scheduled School Masses, regardless of religious affiliation. Participation in these celebrations reflects our shared values and the spiritual foundation of our school.
  - Students may only be excused from Mass attendance due to documented illness or a verified appointment. We ask for your support in reinforcing the importance of this tradition as part of your child's formation at Notre Dame.

#### **CHECKING IN LATE FOR SCHOOL**

- Students who check in before 8:00 AM will be considered tardy. Students who check in after 8:00 AM will be considered absent from the missed class.
- Additionally, the student checking in late must report to the front office to check in with the receptionist and get an admit slip.

#### **CHECKING-IN / CHECKING-OUT PROCEDURE**

- The faculty of Notre Dame High School cannot carry out its responsibility of educating students unless the student is in class. With this in mind, the following policy will be adhered to concerning students checking out of school:
  - No student will be allowed to check out of school at any time during the school day unless permission has been obtained by a parent/guardian
  - Parents/guardians must notify the school of the check in/check out via:
    - Complete the [Student Absence Form](#)
    - Call the front office (337-783-3519)
    - Please do not email the receptionist to notify the school of your student's absence.
  - Check outs before 2:15 PM will count as an absence for that class period
  - Students who check out and want to check back in must have one of the following in order to do so
    - A note on professional letterhead from a medical professional/therapist/counselor indicating the student was at a medical/counseling appointment
    - A newly issued permit or license indicating the student was at the DMV
    - PRIOR approval to check back in from a member of administration

#### **IMPENDING ABSENCE**

- Any student who knows in advance of an absence due to a family related trip, personal reason, or school activity which requires the student to miss one or more days of school must complete an Impending Absence Form.. This form can be picked up from the receptionist in the front office.
- The completed form must be returned to the receptionist/Dean of Students no less than two (2) days in advance of the absence.
- Please be aware that all missed work MUST be completed, unless explicitly stated otherwise by the teacher.
- Depending on the length and nature of the absence, missed work may be required to be completed before or immediately following the absence. Failure to do so may result in a 0 for the work.
- If the school is not notified, the absence is unexcused.

**\*\*An excuse for an absence will not be taken after three days. \*\***

## BEHAVIOR AND EXPECTATIONS

---

### CONDUCT

Notre Dame High School strives to maintain a learning environment which provides a safe, secure setting for students, faculty members, and administrators. We are not only committed to academic excellence, but also to character development and virtuous behavior. We aim to provide a quality Catholic education for all students in an atmosphere conducive to learning and teaching. Our classroom behavior expectations are based on a cooperative approach to discipline. Grounded in the teachings of the Gospels, we demonstrate our faith through our behavior and we take responsibility for our actions and their consequences.

Students must remember that wherever they are they carry the reputation of the school with them. Students who may become involved in any grave violation of discipline and/or serious public misconduct that brings discredit to this school could be subject to disciplinary consequences including, but not limited to, suspension or expulsion. In the short term, accountability creates an environment conducive to learning by instilling values such as courtesy, honesty, reverence, helpfulness, cooperation, and respect for others. Over time, its ultimate goal is to guide students in developing their own self-discipline as they gradually take on greater responsibility for their actions and decisions.

The following expectations assist in setting guidelines for such accountability:

#### Student Expectations:

- Obey all school policies and the rules of each classroom.
- Maintain respect during disciplinary redirections and while serving consequences
- Respect all students, faculty, staff, administrators, and expect to be treated the same
- Hold yourself and others accountable in upholding all policies as we create an environment for higher learning.

#### Parent Expectation:

- Ensure your student arrives to school on time and in full uniform
- Familiarize yourself with all school and enrolled classroom policies to help your student better understand expectations.
- Cooperate with faculty and administration to correct discipline issues in a timely manner
- Communicate respectfully with faculty and administration and expect the same

## CLASSROOM EXPECTATIONS

---

Each teacher will compose his or her own classroom rules and consequences that students must follow in accordance with school guidelines. At the start of each academic year, all classroom policies will be reviewed and approved by the Administration. **The teachers' discipline plans include clear guidelines for their expectations of student behavior and MINOR VIOLATIONS in the classroom. ALL MAJOR behavioral issues will be immediately redirected to the Dean of Students. Aside from each teacher's individual classroom management plan, the following infractions will be monitored on a regular basis. The consequences of such violations will be reset at the beginning of each quarter.**

## DISCIPLINE

Academics and discipline work in tandem to create a well prepared student. Although it is not recorded as a subject, discipline serves as the foundation of the entire educational system. It plays a crucial role in fostering self-control, character development, and efficiency. Discipline encourages proper conduct and consideration for others in and out of the classroom. Given the large number of students within a school setting, a clear discipline policy is essential to ensure that everyone can fully benefit from the learning experience.

Since there can be no character formation without training in discipline, students must conform to all the regulations and expectations which are devised for the welfare of the whole student body. ATTENDANCE AT NOTRE DAME HIGH SCHOOL OF ACADIA PARISH IMPLIES A WILLINGNESS TO COMPLY WITH ALL RULES AND EXPECTATIONS SET FORTH IN THIS HANDBOOK. (see parent cooperation statement)

Notre Dame High School upholds a learning environment built on respect and responsibility, and certain behavior violations will not be tolerated as they interfere with this standard. Any actions related to these violations will be addressed promptly in accordance with the consequences outlined in our policies. . These policies, developed by the administration and adopted by the advisory council, will be tracked using the card system. Notre Dame High School divides violations into MINOR and MAJOR which determine the severity of consequences.

### ONLY MINOR VIOLATIONS WILL BE TRACKED USING THE VIOLATION CARD, OUTLINED BELOW.

If any student receives a virus warning while using a computer, he or she is obligated to inform the technology director as soon as possible. While a firewall is utilized to prevent certain sites from being accessed in order to protect students and the school from inappropriate material, NO safeguards are 100% reliable. ## **SUBSTANCE ABUSE TESTING**

---

It is acknowledged that the ultimate purpose of the school system is to provide a quality education. Further recognizing the fact that the presence, introduction, or consumption of illegal and/or harmful drugs or possession of related drug paraphernalia on our campus has no place in the educational system, the Notre Dame High Advisory Council sets forth the following policy:

All enrolled students are subject to random drug testing and may also be subjected to a reasonable search of his/her person, vehicle, possessions, and lockers by the administration or assigned teacher. The administration is also authorized to solicit and provide, for periodic use, a trained animal in the search for or detection of illicit drugs. In the event that such animals should detect or indicate the presence of such substances, then the administration shall be authorized to demand all students in the area of the detection to display or otherwise exhibit the contents of the affected area.

Notre Dame High School hopes that one of the outcomes of the drug testing policy is to foster a positive, ongoing discussion between parents and their children concerning drugs, alcohol, and the other temptations our students face. This program is a service not only to the individual, but it also serves the entire Notre Dame family..

**Due to the random drug testing policy, the administration should be notified of all special medical conditions, cases and/or medication prescribed by a student's physician, which could be detected by the drug screening. Upon administrative request, a parent must submit a current copy of a student's prescription(s) for any medications that may have resulted in a failed drug test.**

## GUIDANCE SERVICES

---

Notre Dame offers Guidance Counselor services which focuses on academic counseling, advisement, and emotional support. Academic and college counseling begin before the student actually enters the school. A long-term relationship between counselor and student begins when the first high school schedule is prepared in the spring before the Freshman year. *Our support goes beyond academics, as we address the needs of the whole student and their mental health. Unless specifically noted otherwise, your child may receive these services through the Counseling Office. If deemed necessary or requested, the school counselor can provide information about outside counseling services for students and family. Parents are encouraged to contact the counselor with any concerns they might have regarding their child.*

### ADVISEMENT

Due to the large number of students, each student is assigned a Faculty Adviser. The Faculty Adviser aids the Guidance Counselor by meeting with the student and parents each year during scheduled advising times. Each student and parent is encouraged to be familiar with TOPS and Graduation requirements and to ask for guidance assistance when needed. Academic counseling remains an essential part of the Guidance Department. At-risk students are identified and may be referred for private counseling.

### COLLEGE & WORK PLACEMENT

Students will take tests in the ACT family during their tenure at Notre Dame. The Guidance Counselor helps students interpret the results of standardized tests, which helps students to gain insight into college, work or career options.

Notre Dame's School lunch program is a separate entity and is set by the guidelines of the [Diocese of Lafayette Food and Nutrition](#) program. This program is computerized giving each enrolled student a food service identification (ID) number, which will be the same as the student's ID number. It will be his / her food service ID number as long as they attend Notre Dame.

Prior to, or on the first day of school, students should establish a food service account through [My School Bucks](#) and prepay money into the account. It is suggested that students prepay for 20 days. After the account has been established, students may make daily purchases against their account. Students may use their food service account to purchase a federally subsidized lunch, and extra servings such as second entrees / sandwiches, fries, juice, ice cream, etc. With computerization, no student can tell when another receives federally subsidized meals. However, you can stay up to date and make payments online at [www.myschoolbucks.com](http://www.myschoolbucks.com), once you have created an account.

No account balance should exceed \$100. Parents will be contacted if the student's lunch balance is not paid.

### **PARENT COOPERATION STATEMENT**

---

An integral part of the educational philosophy of Notre Dame High School of Acadia Parish is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing positive working relationship between parents/guardians and the school is critical to the success of the school and the students. As part of that working relationship, parents/guardians are expected to be involved as much as possible in the educational process, to refrain from conduct which thwarts the orderly administration and operation of the school, to support and participate in school activities, and to provide instruction to, and set positive examples for, their children –both at home and in the community. While Notre Dame High School of Acadia Parish encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, Notre Dame High School of Acadia Parish is ultimately responsible for the orderly administration and operation of the school, including the policies and procedures implemented to achieve the school's goals. Notre Dame High School of Acadia Parish reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that: (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school.

## ***SEXUAL IDENTITY POLICY***

---

Notre Dame High School of Acadia Parish is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings

and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

## **ASBESTOS POLICY**

---

According to the Asbestos Hazard Emergency Response Act (AHERA), each school system must notify the public of inspections, response actions, periodic surveillance and re-inspection activities on an annual basis.

This is to inform you that AHERA Compliance Management Plans are available for public inspection in the principal's office of each school site in the Diocese of Lafayette School System. These documents include the Inspection Reports, Re-inspection Reports and the Management Plan. Requests to view these may be made Monday-Friday during regular school hours.

Inspections of Asbestos Containing Material (ACM) are made by each school every six (6) months. Every three (3) years, re-inspection is conducted by a Certified Asbestos Inspector/Management Planner.

In addition, we occasionally utilize herbicides/pesticides for control of pests and weeds. Coach Jacob Molbert maintains a Pesticide Certification License and supervises the use of these chemicals. Should you have any particular concerns (e.g. your student has serious allergies or respiratory problems) please make us aware. Records regarding the specific product, application sites and dates of application are maintained here in the office.

Notre Dame High School of Acadia Parish is a Drug-Free and Weapon Free Campus. Please refer to our Student-Parent Handbook regarding sanctions. Thank you.
