CORMIER, GUS (Trey)

Advanced Math Trigonometry and Calculus - Honors/DE Students

- All assignments for Honors/DE math classes will be online via My Math Lab. Students will need a notebook or binder to do any scratch work as they work through these assignments.
- The only calculator allowed for any Honors or DE students is the Texas Instruments TI-30XIIS scientific calculator. A picture of the allowed calculator is included below. **THE USE OF ANY OTHER CALCULATOR WILL RESULT IN A WRITE UP FOR A TECHNOLOGY VIOLATION.**
- Students are required to bring one pack of loose leaf paper for class use on test days. Students are not allowed to use personal notebooks or scratch paper for exams.
- Students are required to bring one box of Kleenex or other tissue paper for class use.
- Students may use pencils, mechanical pencils, or pens of any color.
- Students must come to class with a charged computer as this is where all assignments will be located. There will be no charging of laptops in the classroom. If students are unable to rent a laptop for the day, they will be responsible for doing all of the assignments for the day on their own time.

2026-27 Supply Lists by Faculty Member

SCHEXNAYDER, RANDY

Algebra I-Honors

- One large Spiral notebook with pocket dividers for handouts.(Please No Binders)
- 1 eraser
- #2 Pencils, Erasable ink pens, or lead or mechanical pencils for the whole year
- Earbuds or some type of headphone to plug into chromebook or device while working in MyMathLab.(For use with Lesson Videos)
- Hand Held Calculator- **Texas Instruments TI-30XIIS** is the only calculator allowed in this class and on my tests.
- One box of Kleenex

Algebra II-Honors

- One large Spiral notebook with pocket dividers for handouts.(Please No Binders)
- 1 eraser
- #2 Pencils, Erasable ink pens, or lead or mechanical pencils for the whole year
- Earbuds or some type of headphone to plug into chromebook or device while working in MyMathLab.(For use with Lesson Videos)
- Hand Held Calculators
 - **Texas Instruments TI-30XIIS** is the calculator they need for my class and on my tests.
 - **Casio fx-115ES Plus** (I highly recommend that everyone purchase the **Casio fx-115ES Plus, 1st or 2nd edition is fine**, especially those students who want to increase their ACT Math score; this calculator will help you make a better score. It is allowed on some of my tests, and is allowed on the ACT, but because it is so powerful and so easy to use, it is not allowed at some of the universities such as LSU. I will show you how to use it for the ACT and for my tests. It can be found at Walmart (in-store and on-line), Amazon, Target, or at any office supply place and you should not pay more than \$18.00 for it, especially if you start looking for it now(if you wait until school starts, sometimes the price goes up drastically). ACT Calculator policy allows you to bring as many calculators that you want, but you can only use one at a time. **Make sure that you purchase this exact model, for other models like it will not have the same modes you can use in class and on the ACT**
- One box of Kleenex

2026-27 Supply Lists by Faculty Member

STEVENS, CHRIS
